ADMINISTRATION

A Man With A Purpose

"We, who are in the position of guiding youth, have an enviable task. . . We must help mold our charges into useful, law-abiding, creative men and women."

Mr. Geisler Administers School

Mr. Henry Geisler once again resumed his superintendent duties at the beginning of the school year 1966-67. As administrator to the school, Mr. Geisler is faced with many problems and tasks that require hours of hard work and skill. Since 1931, his main interest has pertained to the general welfare of the school.

After many years of teaching, Mrs. Doris Stahl has resigned her position in the English department in order to become a full-time counselor. During her first full year of counseling she has served as an "all-purpose person". Her daily schedule includes administering tests, supplying career information, distributing college applications, and assisting all of the students in many ways. Her duties and abilities are nearly unlimited.

Honor Society Welcomes Scholarly Juniors

Five scholarly Juniors have been welcomed into the ranks of the National Honor Society. To be eligible for membership, a student must appear on the semester honor roll for two consecutive semesters.

As the Class of '68 will be the first class in many years not to take a Senior trip, they have decided to donate some useful gift to the school as a remembrance of their class. The juniors have already purchased a fiber glass backboard now being used in the gymnasium.

Double Homecoming honors were taken by the Junior class this year beginning with the crowning of their candidate, Ruth Walton, as queen. They were also victorious with their float entry, "The Battle of Fort Ticonderoga."

Class rings were delivered early this fall revealing that the boys preferred the round style while the girls favored the oval dinner rings.

The conclusion of the school year found the Juniors hard at work on the traditional J-Hop and Junior-Senior Banquet. They also sponsored many dances and held a candy sale in the spring.

Advisors were Mr. Clelland and Mr. Beuhrer.

The Revista Staff began the year in mass confusion. However, under the guiding hands of the co-editors, Pam Schultz and K. Kime, the first deadline was surmounted grandly making the second deadline at which this breathless bit of prose was composed, only a little less painful. The staff members worked diligently on their rough drafts, the layouts, completing numerous picture orders, writing reams of copy, re-ordering misplaced pictures, cropping the photographs of numerous Bulldog celebrities, and completing the triplicates with Miss Dulaney's signature.

Accepting the responsibility of producing the Revista, a staff new to the journalism arts, undertook the tremendous task of capturing the school year of 1966-1967 with pictures. The co-editors Pam Schultz and K. Kime ably directed the novices.

ATHLETICS

Cross Country Scores High

The Cross Country team finished the season with an impressive 6-1 record for dual meets. The Morenci team took the first six.

The team was young and shows great hopes for the future. One junior, four sophomores, and four freshmen, made up this years team. Ramon Towne was the only returning letterman on the team.

The team finished fourth at the regional meet, and missed qualifying for the state meet by only a few points. Ramon Towne, who finished eighth at the regionals, was the only Morenci runner to run in the state meet.

Ramon finished fourteen out of ninety-eight runners at state. Coach Ritsema hopes that next year's team goes to the state finals.

Ramon Towne was chosen for the All-State Cross Country team.

Improvement was made steadily by everyone throughout the year, and individual talents improved tremendously. Although their scoring season wasn't very impressive, Spirit and sportsmanship guided the reserves through a long, hard season.

Greatest improvements of the year were shown by Stan Smith, Mike Slyker, and Jim Sallows. Head Coach, Curt Hanson, and his assistant, Charles Whittern, said they were satisfied with the improvement of this year's team and are looking forward to a good season next fall.

Bulldogs Go Down Fighting

Morenci Bulldogs, with eleven returning lettermen, opened their season by winning a highly rated game against Manchester. Luck seemed to go against the Bulldogs, and they chopped their own well rated team to sixth place in the L.C.A.A. The team of fourteen senior boys ended the season with three wins, against Manchester, Madison, and Greensprings.

Team spirit was good throughout the season and the school support brought the three needed victories. Senior tackle, Doug Keller, made All-County Third Team, Jim Smith was chosen as an alternate. Also playing an exceptional season were Dave Arno, center, and Mike Marlatt, quarterback.

Mr. Ken Rollins was Head Coach and Mr. Greg Lamley assisted.
